The San Diego Shakespeare Society was founded in July, 2000.

Mission Statement: The San Diego Shakespeare Society's mission is to introduce, educate and encourage the public's understanding and enjoyment of the works of William Shakespeare.

To this end, varied programs have been presented each year, for members and the public, and include Staged Readings, Keynote Speakers, Shakespeare Showcases for local actors, Debates, and Reading Groups. One of the highlights of Society programs is the Annual Celebrity Sonnet Presentations held each October at The Old Globe.

"Teach a child Shakespeare at an early age and they can learn anything" is one phrase that has inspired the Society-sponsored First Annual Shakespeare Student Festival K-12, initially held on April 29, 2006. **The Twelfth Annual Student Festival** will be held on Saturday, April 29, 2017. Performances with over 600 students will take place on six stages in the Prado area of Balboa Park.

"We Are Such Stuff As Dreams Are Made On...."

YOU can help these DREAMS come true by becoming a Member of the Society. Membership Applications are available in the lobby or online at www.sandiegoshakespearesociety.org.
